

Dear Members,

It was certainly a wonderful experience cutting the ribbon to our new corporate office in Vacaville on June 22. Many thanks to all who joined us at our 2017 Annual Meeting and ribbon cutting ceremony on that very hot day. The day was filled with excitement, and it's great to finally be a part of the revitalization happening in downtown Vacaville. The response to our new office has been overwhelming.

That being said, I would like to personally thank our members for their patience while we were going through this transformation and the positive feedback we have received in the short time we have been downtown. Thank you for your continued membership and please have a safe and enjoyable summer in the weeks ahead.
