

Dear Members,

Last year, we decided to move to our corporate office and branch to Vacaville. The Credit Union is part of a new revitalization happening in downtown Vacaville. With that change, we also opened a convenience branch close to Kaiser in Vallejo to serve our members. Since our walk-in traffic was diminishing and 68% of our membership uses Online Banking and Bill Pay instead of coming in, we determined that it would be best for us to downsize our office and spend our money on our members and other important services instead.

That being said, I am excited to announce that our office will be opening this summer, with a ribbon cutting ceremony immediately following our Annual Meeting on June 22. On behalf of Befit, I would like to thank you all for your continued membership and patience while our corporate office is going through its transformation.
