

Dear Members,

With summer upon us, it is time to reflect on the past few months with gratitude and appreciation. As a credit union founded by healthcare professionals for healthcare professionals, we are deeply thankful for your hard work, your sacrifice, and the way you continuously care for others. Not all superheroes wear capes! From the bottom of our hearts, thank you.

We would also like to thank our members for being so patient and understanding during the unforeseen circumstances. Your willingness to use our eServices and help keep our team safe during social distancing is very much appreciated.

Lastly, a big thank you to our Befit team for being financial superheroes during this time and for answering the call to serve our members so they may take care of our communities. We wouldn't be able to achieve that without the collective and individual efforts of each member on this team.

Thank you for everything you do. With gratitude,

Bobbie K Adams, President/CEO

THANK YOU

for being superheroes and for
taking care of our communities.
