

63rd Annual Report

A Message from the President/CEO

I would first like to thank all of our members for your role in the Befit Financial FCU family. Thank you for the commitment and compassion that you give each and every day to the sick, the hurt, and those of us at our worst. We are so proud to serve the healthcare community, and your dedication inspires us to work harder for YOU, our members. Just like you are there for our community, we are here to serve you and help you be financially healthy by assisting you with your finances in a convenient and personalized way.

This past year, we worked to keep you and our employees safe, and we learned to adapt to support the changing needs of our membership and environment. Although it wasn't always easy, these changing times also brought areas of great growth to Befit. We listened to our Befit members and created a new way to bank with our BeVirtual Branch, so our members can bank from home, the office, or while traveling. We extended branch and phone hours to give you additional access to our staff. We also produced financial support to members by providing a Relief Loan product and Wellness checkups.

One bittersweet change, however, was transitioning from our previous CEO Bobbie Kay Adams. I worked with Bobbie for 14 years, and the leadership and guidance I received from her has prepared me to continue to serve you as your new CEO. I am excited to see what the future brings to Befit. We have already seen 2021 send some great things our way!

So far in 2021, we have refreshed the Vacaville branch to improve functionality and provide safety to our members and employees. We also lowered our rates to save you more money! As the year progresses, we look forward to doing more member outreach in the healthcare community and improve or enhance products and services to best fit our community's needs. We will also continue to find opportunities to deliver convenient and alternate channels of banking and create strategic initiatives to keep BFFCU financially sound and healthy.

Thank you to our Board and Supervisory Committee for your support, dedication, and service to BFFCU. Your insight is invaluable to our mission. Thank you to our staff for your hard work and devotion to our members. Your support for one another and our members is what keeps BFFCU strong throughout every change. To our Board, our staff, and our members: thank you. You make our mission possible, and we look forward

to another great year of serving an incredible community.

Maybelline Bito –
President/CEO

A Message from the Chairperson

I would like to take this opportunity to thank our members of Befit Financial Federal Credit Union for your continued support. Your perseverance and compassion for the community has shown and we could not be any prouder of your service. It is a privilege and honor to serve as the Chairperson of the Board for BFFCU.

The healthcare industry was greatly impacted by the pandemic across all spectrums of care. While addressing the medical priorities and responding effectively, the healthcare industry had to continue to be flexible, adaptive, and responsive to the changing trends.

Befit Financial FCU also needed to quickly adapt and be responsive to meet the needs of the membership while practicing safety precautions. With less face-to-face interactions and more reliance on technology the Board approved the BeVirtual Branch so we could continue to serve the membership safely and conveniently. We always strive to provide a high quality of service to our members.

I want to thank my fellow Board Members and the Supervisory Committee for their time, commitment, and dedication in making sound business decisions for the future health of BFFCU and for the best interest of the membership.

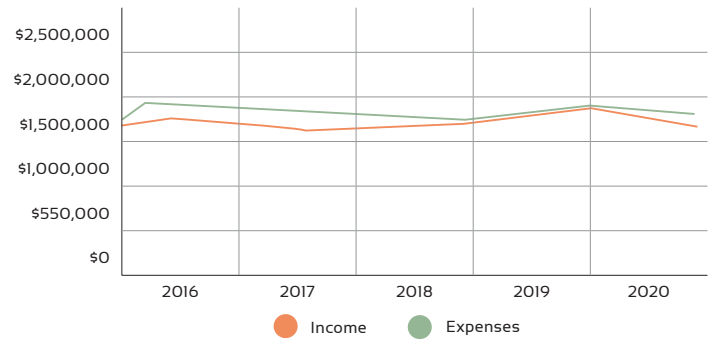

I would also like to thank the Befit staff for taking care of our members and assisting them with the appropriate products and services to help them be financially fit.

To our members, we are here for you and want you to know that we continue to be your trusted financial partner. Please continue to refer your family and co-workers to the credit union and help us thrive. We look forward to continuing to serve you and helping you Be Happy, Be Healthy, Befit Financially for a stronger financial future.
