

Message From May

Dear Members,

The summer is here, and with California reopening, we know you have a lot of exciting plans for this sunny season. We want you to have the summer you've waited so long for, so don't hesitate to reach out to find the best financial solution for your situation.

For example, our Visa® Credit Card and Visa® Debit Card are two great ways to earn to put towards summer experiences. With each swipe, you can earn points to put towards hotel discounts, airfare, or car rentals for that dream vacation. Plus, our rewards program can also help you grab seats to concerts or events, and get you gift cards for retailers and restaurants.

The changing of the seasons is also a perfect time to have a financial wellness check-up. If you want to take a good look at your financial situation before you plan your summer fun, you can meet with our in-house Financial Advisor Samantha Davenport. Our BeVirtual Branch is also a great option for when you can't make it to our branch location. You can schedule an appointment with our BeVirtual Branch to talk to a financial representative from wherever your travels take you!

Please always remember that we are here to help you. We're excited to help you achieve your financial goals, and we always love talking with our members.

Wishing you a summer filled with fun and great financial health!

Sincerely,
Maybelline Bito,
President/CEO
