

THE BEFIT BRIEF

WWW.BFFCU.ORG

August 2025 | Issue 1

Did you know financial health is just as important as physical wellness?

This National Wellness Month, we're sharing practical ways healthcare professionals can reduce stress and improve their financial well-being, without overcomplicating things!

- Building an emergency fund
- Tools that are available to you now
- Improving sleep, focus, and emotional health
- Smart loan solutions for debt consolidation

Take the first step toward total wellness—financial and beyond!
